

# 2020 OLI Meeting

5<sup>th</sup> Annual Meeting

# Background

- ✓ Operational forestry meetings
- ✓ Operational forest biometrics / modeling
- ✓ Bleeding edge remote sensing meetings

Missing niche

○ Operational Remote Sensing Forest Inventory

ORSFI?

# Background

- ✓ Operational forestry meetings
- ✓ Operational forest biometrics / modeling
- ✓ Bleeding edge remote sensing meetings

Missing niche

○ Operational Remote Sensing Forest Inventory

~~ORSEFI?~~ - > Operational Lidar Inventory (OLI)

# Progress!!

- Sophisticated analysts
  - Lots of recent students with strong technical skills
    - Forestry
    - Remote sensing
    - Statistics
  - Monika Moskal's lab
  - Temesgen Hailemariam's Lab
  - Others?

# Progress!!

- Consulting support (put list on [forestlidar.org](http://forestlidar.org))
  - Lim Geomatic
  - Forsite
  - Tesera Systems
  - Quantum Spatial
  - NMI
  - ?Who Else?

# Agenda Change

- 12:40 – Jim Arney

# Thank you Peter Gould

- For the website! (forestlidar.org)
